

TREASURY DEPARTMENT

INTER OFFICE COMMUNICATION

DATE
December 14, 1943

TO Joe DuBois
FROM The Secretary

When you were in my office yesterday, you were summarizing a report that you had gotten from somebody who was formerly with the State Department, and who is now, I believe, in the Army or the Navy. I'd like you to put that report actually into my own hands. Please ask FitzGerald for an opportunity to see me today. Thank you.
