Q. This is a continued interrogation of Dr. Gunther Frank-Fahle.

Dr. Frank-Fahle I thought we would put on a record the history behind the statement which we have just gone over. About last Friday you completed a statement in rough draft in the English language concerning the Commercial Committee?

A. Yes.

Q. Did you have every opportunity to put into that statement all the facts according to the best of your knowledge and belief, which you felt were necessary to give a true picture of the Commercial Committee (KA) as you came to know it?

A. Yes.

Q. Now over the weekend and yesterday, 9 June 1947, you worked with Mr. George Martin in making the same statement in the German language. Is that correct?

A. Yes.

Q. Now after the draft of the statement, or the proposed affidavit, was put into the German language, did you make a number of corrections which you thought were necessary?

A. Yes.

Q. And have these corrections all been incorporated in the draft which you now hold in your hand?

A. Yes, they have been incorporated in this draft and also in the English draft.
