

2451, April 20, 3 p.m. (SECTION THREE)

charged with sporadic news dropping in. Letter from Warsaw reports character middle March about 40,000 Jews living Warsaw mainly busy in war industry. Other news indicates that about 5000 Friboch apply for permission. Ghetto Krakow still existing but Jewish social self-help answering no letters seems dissolved. Considerable number Jews seem being concentrated region Belsec on Bug where typhus decimating population. From mae news indicates that certain number deported Slovak Jews working Polish villages as Malkuce and Konskavola and environments. Considerable number Galician Jews as reported are concentrated in regions (?) between Przemysl and Ravarusska. Eye witness reports from Berlin confirm brutal action of arrestation Berlin Jews which took place February 27 and following week. All people busy in war industry were taken away. Cars fetched (x) in Vistula thus making Berlin nearly free of Jews. Only certain number of people (?) mixed marriages spared offhand.
