

2461, April 20, 3 p.m. (SECTION TWO)

We received last few days new urgent appeal for assistance Transistria and they need 100,000,000 lei of which urgently 60,000,000 for clothing and most necessary equipment for children and orphans who should be transferred to Palestine. Transfer of money to Rumania not necessary if definite guarantee be given that amount would be put at disposal Switzerland or America and paid after war. Equally needing urgently considerable amount for France especially for rescue children who being lodged at Suez (camp?) or hidden. Furthermore, for favoring illegal departure young people who intending go Spain North Africa. This action requires considerable amounts. No currency will be transferred France. Will be used for departure and hiding certain number endangered political friends in France amounts are needed. Deportations in France going on constatly camp of Gurs now a new center of evacuation. During last weeks three convoys left Gurs first included 2400 people, second 600.
