14 April 1947

W

SUBJECT: Interview of Dr. Berendt,
German Attorney, with
Dr. Fritz ter Meer

TO : The Files

Copies to: Mr. DuBois (323) ✓
Mr. Levy (245)

1. Through Dr. Kempner I was introduced to Dr. Berendt. The ter Meer family has engaged Berendt, a German attorney, to assist in settling the large ter Meer estate (our ter Meer was executor), and possibly to propose Berendt as Defense Counsel for ter Meer in the I. G. Farben Case.

2. I informed Dr. Berendt that he could discuss with ter Meer, in my presence, questions arising concerning the ter Meer estate. On last Friday afternoon, 11 April 1947, Dr. Berendt and Dr. ter Meer conferred for about twenty minutes in the presence of Mr. Wolffsohn and me. Both Dr. Berendt and Dr. ter Meer were informed in advance that the conversation must be confined to this topic which it was.
