Dear Joe:

I enclose three copies of a memorandum giving the current state of affairs on the Ohlendorf and Pohl executions, which I thought might interest you, and which you are free to distribute if you so see fit. It is not intended as an article or release, but rather as a statement of facts, which anyone can readily check against the public records.

I have been in correspondence with both the Army and State Departments to try to get the matter cleaned up, but there has been so much delay that it seems to me the best thing to do is to bring the thing out into the open.

I enjoyed seeing you ^{at} New Year's and hope that you will be coming up our way again soon.

*Our love to your family
- all good luck to you -*
