Dear Joe:

Enclosed is a letter received today from the Collector at Camden, together with a form to be signed by you. If you will sign it, have it notarized, and, if possible, impress the corporate seal of The Gardens Store, I shall be glad to fill in the word "zero" and send it to the Collector with thanks. Of course, you could very well do this yourself, but why bother when you do not have available the services of Miss Joyce?

If you do mail this back, let me know when you are going to Washington, since I probably will be down there shortly. I do not see any chance of getting to Ocean City until September, but at that I was very lucky to see you at all. I thought you would be in Russia for two or three months. Take it easy!

Ted
