Reference telegram has been discussed with

by the person in occupied territory. Also it could be
Dr. Mahon Goldman of the American Jewish Congress. Certain
financial questions which require clarification still remain.
Our interpretation of the proposed financial arrange-

ments is presented and several related questions are sub-
mitted in this telegram. After discussing this inter-
pretation and these questions with the Geneva representative
of the American Jewish Congress, Dr. Riegner, please con-
sider and report. If you state that Dr. Goldman suggested
that Riegner be consulted, discussions with Riegner may
be facilitated.

A. It is assumed that necessary lei will be secured
in the following manner with respect to Rumania: Private
groups in the United States will make remittances to a
bank in Switzerland. These remittances could be in

favor of a cooperative person in occupied territory or
in favor of an agent of the American Jewish Congress
