FLICK CASE - REPORT NO. 22

DAILY TRIAL REPORT - MILITARY TRIBUNAL NO. 4 - FLICK CASE.

EVIDENCE: Mr. Lyon presented documents from Document Book 10-C.

LAW AND PROCEDURE: The Court permitted the introduction in evidence of one document of which no copies for the Court or the Defense were then available, on promise of the Prosecution to supply the copies later.

Document No. NI-5330, directly relating probably to the Julius Petschek deal only, was admitted in the present presentation of the Ignatz Petschek case, for the sole purpose however of proving the "team work" of the Defendants.

A draft of Flick's for a speech to the Harpen Vorstand was admitted not only for the purpose of showing the Defendants state of mind, but as showing, together with other evidence, what Flick did say to the Vorstand.
